

Sweating Sweet Corn

Dear Tim:

Knock knock.

Who's there?

Whatsa.

Whatsa who?

What's a guy got to do to get some corn on the cob around here?

-Jokester on Jervis

Dear Jokester:

All you've got to do is stop in. We've got farm-fresh Ohio sweet corn by the bushel, and it's yours for the choosing. Produce section. Aisle 1. No joke.

Dear Tim:

Saw you giving away free ice cream at the Taste of UA.

**DEAR
TIM**

How can you afford to do that in a down economy?

-Stunned on Stanford

Dear Stunned:

I was doing what? Holy cows. It must have been that amazing Flavor Burst soft serve. It will make you do crazy

things. With all the tantalizing natural fruit flavors and creamy ice cream deliciousness, I must have momentarily lost my mind (which I know is something you find hard to believe). Somebody else told me I was giving away lamb, a giant gift basket and a bike that day, too. If you ever see me doing anything uncharacteristically insane like that again, please try and stop me. My safe word is Glenda.

Dear Tim:

Nice to see you guys getting in the "green" spirit by giving away your reusable shopping bags.

-Encouraged on Edington

Dear Encouraged:

It will be especially nice if I see you using one the next time you shop with us.
