

Insane From In-Laws

**DEAR
TIM**

Dear Tim:

Legend has it that St. Patrick drove the snakes out of Ireland. I have something I'd like to drive away: my in-laws. They've been here since Christmas. Any ideas?

**-Desperate on

Dear Desperate:

Since I assume you've tried every conventional method, maybe you should consider crime. If you try stealing from my store, I guarantee we'll get it on video. That evidence alone should get you a guest stint with the county. That

might drive them away in shame. And if not, at least you'll get a nice extended vacation at the Gray Bar Hotel.

PS – All kidding aside, don't try to steal from me. You WILL get caught and I'm WAY worse than your in-laws. You don't want to find out how. Trust me.

Dear Tim:

I don't think I can take any more of this presidential campaign. "Super Tuesday" is over and they still don't have this thing wrapped up. What's it going to take?

-Done on Doone

Dear Done:

More delegates for the nominee and some Excedrin for you. You can either start campaigning hard for your favorite or stop by aisle 5. It's just a guess, but I'd bet the Excedrin will be more effective.
