

No Thrill In The Chill

Dear Tim:

Who turned off the heat?

-Chilled on Chaucer

Dear Chilled:

It wasn't me. But I know how to turn it back up. A bowl of our soup of the day. It's made fresh every morning, and you can find out which one we're featuring at huffmansmarket.com. It won't replace your furnace, but it's a warm blanket for your belly.

Dear Tim:

How do you pick a good pumpkin?

-Picker on Picket Post

Dear Picker:

Pretty simple. Browse around, compare your favorites and give them a good thump. If you like what you hear, put it in the trunk (after you've paid for it inside, of course).
