

Annoyed About Northam

Dear Tim:

Have you seen the plans for the new Northam Park? It looks like a mess. I thought they were going to make it a “central park” for the city and make it more usable for more people. Instead it looks like they’re just moving stuff around and adding more things the more people gripe. What do you think?

-Vexed on Wexford

Dear Vexed:

I’m not an expert on griping, but I did have three kids, so I know how it works. And I think that’s what *you’re* doing. I hope you’ve shared your thoughts with the city like you have with me, because they’ve been asking for input from the beginning. When it comes to major projects like these, no one wants any sour grapes. Neither do we. That’s why we only stock the freshest fruits. Pick up a bunch at the front of the store and enjoy them at the old Northam over the Fourth.
