

# Crazy About The Cup

**Dear Tim:**

I'm not quite sure when it happened – maybe around the time my kids started playing soccer – but I started really getting into the World Cup. It's like the Olympics of soccer. The women are playing one in Canada right now.

Are you following it?

**DEAR  
TIM**

**Dear Futbol Fan:**

I can't say that I am. I'm a big fan of the U.S., and any time they field a team, I'm behind them. But I've never really taken to soccer. It's long, low-scoring and a little boring for my taste.

The crazy Spanish announcers sound like guys I'd like to hang out with, but if you asked me, the cup that's really worth getting excited about is flour.

It opens the door to so many culinary possibilities. My favorite brand comes with a Gold Medal right on the outside. And I don't even have to break a sweat to get it.

Neither do you. Aisle 3.
