

Swooned Over Swimmers

Dear Tim:

Did you see that the Upper Arlington High School girls swim team won its tenth state championship the weekend before last? Amazing, right?

-Pumped on Pegg

Dear Pumped:

Amazing indeed. I couldn't swim a lap if I had to and they can swim four in 50 seconds! And I don't know if any athletes work harder. I hear these girls work out early in the morning and again after school. Who gets in a cold pool twice a day in the winter? Crazy people, that's who. And these girls are crazy – crazy good. You know what else is crazy good? Our creamy chicken salad. We make it fresh every day from the best locally raised chicken breast and our unique blend of ingredients. It's another perennial UA champion. So stop by the deli and pick up a tub. And send the swimmers in, too. They could use the protein.
