

# Construction Kickback

**Dear Tim:**

Tell the truth. You're getting some kind of kickback from all this road construction on Tremont, aren't you? A nondescript envelope bulging with cash every month? Like in the movies. There's no other way you could possibly let them block every way into your store is there?

**-Curious on Canterbury****Dear Curious:**

You'd think that, wouldn't you? You'd think that's what it would take to let them block access not only to my store, but most of Tremont Center, for months at a time, right? Sadly, that's not the case. I wish I had that kind of juice. It turns out the only juice I've got is in aisle 1. And if you need some, PLEASE stop by. You'll probably have to use Redding Road (and four-wheel drive) to get here, but please do. Your friendly neighborhood shops here at Tremont Center depend on it.

TIM**
