

# HUFFMAN'S WINE OF THE MONTH CLUB

Huffman's is introducing its "Wine of the Month Club". Members of this club will have the opportunity to sample a wide variety of wines from around the world. Many of our selections are very unique and limited. This club is for adventurous wine drinkers looking to expand their knowledge and hone their palate.

We will focus on new market introductions and wines from lesser known wine producing regions. Materials describing the wines and the growing regions will be provided with the wines. Monthly selections will be seasonally appropriate with the emphasis on fine dry table wines and the occasional dessert wine.

There is no fee to join!

Please fill out the attached form and drop it off at Huffman's Market or mail it to:
